ARTICLE 2. ARCHITECTURAL REVIEW

Section 2.1. Architectural Review Requirements.

2.1.1 . No Improvements shall be constructed, erected, placed, altered, planted, applied or installed upon any Lot unless said Improvements are in full compliance with the provisions of the Governing Documents and unless at least two (2) sets of complete plans and specifications therefor (said plans and specifications to show exterior design, height, materials, color, and location of the Improvements, plotted horizontally and vertically, location and size of driveways, location, size, and type of landscaping, fencing, walls, windbreaks and grading plan, as well as such other materials and information as may be required by the governing board of the Metropolitan District), shall have been first submitted to and approved in writing by the governing board of the Metropolitan District.

2.1.2. The governing board of the Metropolitan District shall exercise its reasonable judgment to the end that all Improvements conform to and harmonize with the existing surroundings, residences, landscaping and structures. In its review of such plans, specifications and other materials and information, the governing board of the Metropolitan District may require, as a condition to it's considering an approval request, that the applicant(s) pay or reimburse the Metropolitan District for the expenses incurred by the Metropolitan District in the review process.

2.1.3. In addition to the foregoing review and approvals, the construction, erection, addition, deletion, change or installation of any Improvements shall also require the applicant to obtain the approval of all governmental entities with jurisdiction thereover, and issuance of all required permits, licenses and approvals by all such entities. Without limiting the generality of the preceding sentence, issuance of building permit(s) by the applicable governmental entity, if required, shall be a precondition to commencement of any construction of, alteration of, addition to or change in any Improvement.

2.1.4. The governing board of the Metropolitan District may at any time, from time to time, appoint a representative or committee to act on its behalf. If the governing board of the Metropolitan District does so, then the actions of such representative or committee shall be the actions of the governing board of such Metropolitan District, subject to the right of appeal as provided below. However, if such a representative or committee is appointed by the governing board of the Metropolitan District, then the governing board of such Metropolitan District shall have full power over such representative or committee, including without limitation the power to at any time withdraw from such representative or committee any of such representative's or committee's authority to act on behalf of the governing board of such Metropolitan District and the power to at any time remove or replace such representative or committee.

Section 2.2. Guidelines.

The governing board of the Metropolitan District is authorized to promulgate design and/or architectural standards, rules, regulations and/or guidelines (collectively the "Guidelines"). Any such Guidelines may be included in rules and regulations promulgated by the Metropolitan District as set forth in Section 3.1 of these Covenants (Rules and Regulations). Without limiting the generality of the foregoing, such Guidelines may contain provisions to clarify the designs and materials that may be considered in architectural approval, may state requirements for submissions, may state procedural requirements, or may specify acceptable Improvement(s) that may be installed without the prior approval of the governing board of the Metropolitan District. By way of example, and not by way of limitation, such provisions may state that a certain type of screen door will be acceptable and will not require approval, or may state that only one or more types of fences are acceptable and no other types will be approved. All Improvements proposed to be constructed, and any Guidelines that are adopted, shall be done and used in accordance with these Covenants.

Section 2.3. Procedures.

The governing board of the Metropolitan District shall approve or disapprove all requests for approval within forty-five (45) days after the complete submission of all plans, specifications, and other materials and information which the governing board may require in conjunction therewith. A stamped or printed notation, initialed by a member of the governing board, affixed to any of the plans and specifications shall be deemed a sufficient writing. However, the governing board shall not be required to maintain records of plans, specifications or other documents or information that have been submitted to it for approval. Approval by the governing board shall be conclusive evidence of compliance with this Article 2, provided that the Improvements are constructed in compliance with the plans and specifications as approved. Failure to approve within forty-five (45) days shall be deemed disapproval.

Section 2.4. Vote, Appeal.

A majority vote of the governing board of the Metropolitan District is required to approve a request for architectural approval or any other matter to be acted on by the governing board of such Metropolitan District, unless the governing board has appointed a representative or committee to act for it, in which case the decision of such representative or committee shall control. In the event a representative or committee acting on behalf of the governing board of the Metropolitan District decides a request for architectural approval which is adverse to the applicant, then the applicant shall have the right to an appeal of such decision to the full governing board, upon a written request therefor submitted to the governing board within ten (10) days after such decision by the governing board's representative or committee.

Section 2.5. Prosecution of Work after Approval

After approval of any proposed Improvement, the proposed Improvement shall be accomplished as promptly and diligently as possible and in complete conformity with all conditions and requirements of the approval. Failure to complete the proposed Improvement within six (6) months after the date of approval of the application or to complete the Improvement in complete conformance with the conditions and requirements of the approval, shall constitute noncompliance with the requirement that approval for Improvements be obtained from the governing board of the Metropolitan District; provided, however, the governing board of such Metropolitan District, in its discretion, may grant extensions of time for completion of any proposed Improvements.

Section 2.6. Notice of Completion.

Upon the completion of any Improvement, the applicant for approval of the same shall give a written "Notice of Completion" to the governing board of the Metropolitan District. Until the date of receipt of such Notice of Completion, the governing board of such Metropolitan District shall not be deemed to have notice of completion of any Improvement on which approval has been sought and granted as provided in this Article.

Section 2.7. Inspection of Work.

The governing board of the Metropolitan District or its duly authorized representative or committee shall have the right to inspect any Improvement prior to, during or after completion in order to determine whether or not the proposed Improvement is being completed or has been completed in compliance with the approval granted pursuant to this Article; provided, however, that the right of inspection shall terminate sixty (60) days after the governing board of the Metropolitan District has received a Notice of Completion from the applicant.

Section 2.8. Notice of Noncompliance.

If, as a result of inspections or otherwise, the governing board of the Metropolitan District finds that any improvement has been done without obtaining the approval of the governing board of such Metropolitan District, or was not done in substantial compliance with the approval that was granted, or was not completed within six (6) months after the date of approval, subject to any extensions of time granted pursuant to Section 2.5 hereof, the governing board of the Metropolitan District shall notify the applicant in writing of the noncompliance; which notice of noncompliance shall be given, in any event, within sixty (60) days after the governing board of such Metropolitan District receives a Notice of Completion from the applicant. The notice of noncompliance shall specify the particulars of the noncompliance.

Section 2.9. Correction of Noncompliance.

If the governing board of the Metropolitan District determines that a noncompliance exists, the Person responsible for such noncompliance shall remedy or remove the same (and return the subject property or structure to its original condition) within a period of not more than forty-five (45) days from the date of receipt of the notice of noncompliance. If such Person does not comply with the ruling within such period, the governing board of the Metropolitan District may, at its option, record a notice of noncompliance against the Lot on which the noncompliance exists, may remove the non-complying improvement or may otherwise remedy the noncompliance, and the Person responsible for such noncompliance shall reimburse the governing board of such Metropolitan District, upon demand, for all costs and expenses incurred with respect thereto.

Section 2.10. Cooperation and Delegation.

The governing board of the Metropolitan District shall have the right and authority at any time, from time to time, to enter into agreements and otherwise cooperate with, and/or delegate to, any other architectural review committees, or one or more other boards or committees that exercise architectural or design review functions, in order to increase consistency or coordination, reduce costs, or as may otherwise be deemed appropriate or beneficial by the governing board of the Metropolitan District in its discretion. The costs and expenses for all such matters, if any, shall be shared or apportioned between such other boards or committees and the Metropolitan District, as the governing board of such Metropolitan District may determine in its discretion from time to time. Additionally, the governing board of the Metropolitan District shall have the right and authority at any time, from time to time, to enter into agreements and otherwise cooperate with, and/or delegate to, other architectural review committees, or one or more other boards or committees that exercise architectural or design review functions, to collect fees, charges, or other amounts which may be due to such entity and to permit any such entity to collect fees, charges, or other amounts which may be due to the Metropolitan District; in any such instance, the governing board of the Metropolitan District shall provide for remittance to such entity of any amounts collected by the governing board of such Metropolitan District or to the Metropolitan District of any amounts collected by such entity.

Section 2.11. Access Easement.

Each Lot is subject to an easement in favor of the Metropolitan District and the governing board thereof, including the agents, representatives, employees and contractors thereof: for performing any of the actions contemplated in this Article, including without limitation Sections 2.7 and 2.9 hereof; and/or for and incidental to investigation and/or enforcement of any term or provision of any of the Governing Documents. If damage is inflicted, or a strong likelihood exists that it will be inflicted, on any other property or any Lot, the Owner responsible for the

damage or expense to avoid damage, or the Metropolitan District, if it is responsible, is liable for the cost of prompt repair. Further, the rights and easements granted in this Section may be exercised only during reasonable hours after reasonable notice to the Owner(s) or occupant(s) of any affected Lot; except that no such notice shall be required in connection with any exterior, non-intrusive maintenance; and except that in emergency situations entry upon a Lot may be made at any time provided that the Owner(s) or occupant(s) of each affected Lot shall be notified of emergency entry as early as is reasonably possible. The interior of any residence located on a Lot shall not be subject to the easements provided for in this Section.

Section 2.12. No Liability.

The Metropolitan Districts, the governing boards and members thereof, as well as any representative or committee of a Metropolitan District appointed to act on behalf of a governing board, shall not be liable in equity or damages to any Person submitting requests for approval or to any Person by reason of any action, failure to act, approval, disapproval or failure to approve or disapprove, in regard to any matter within its jurisdiction hereunder. In reviewing any matter, the Metropolitan Districts shall not be responsible for the safety, whether structural or otherwise, of the Improvements submitted for review, nor the conformance with applicable building codes or other governmental laws or regulations, nor compliance with any other standards or regulations, and any approval of an Improvement by the Metropolitan Districts, or either of them, shall not be deemed an approval of any such matters. No Owner or other Person shall be a third party beneficiary of any obligation imposed upon, rights accorded to, action taken by, or approval granted by either of the Metropolitan Districts.

Section 2.13. Variance.

The governing board of the Metropolitan District, in its sole discretion, may grant reasonable variances or adjustments from any conditions and restrictions imposed by these Covenants, in order to overcome practical difficulties or prevent unnecessary hardships arising by reason of the application of any such conditions and restrictions. Such variances or adjustments shall be granted only in case the granting thereof shall not be materially detrimental or injurious to the other property or improvements in the neighborhood and shall not militate against the general intent and purpose hereof

Section 2.14. Waivers; No Precedent.

The approval or consent of the governing board of the Metropolitan District, or any representative or committee thereof, to any application for approval shall not be deemed to constitute a waiver of any right to withhold or deny approval or consent by the governing board or any representative or committee thereof, as to any application or other matters whatsoever as to which approval or consent may subsequently or additionally be required. Nor shall any such approval or consent be deemed to constitute a precedent as to any other matter.

ARTICLE 3. GENERAL PROVISIONS

Section J.J. *Rules and Regulations.*

Rules and regulations concerning and governing the Property (including without limitation any recreation areas within the Property such as sports fields, ice rinks, trails, swimming pools, lakes, ponds or other bodies of water) may be adopted, enacted, modified, amended, repealed, and re-enacted from time to time by the governing board of the Metropolitan District. Any such rules and regulations may be included in Guidelines promulgated by the Metropolitan District as set forth in Section 2.2 herein. Such rules and regulations are incorporated into these Covenants, and the Metropolitan District may establish and enforce penalties for the infraction thereof, including, without limitation, the levying and collecting of fines for the violation of any of such rules and regulations. The rules and regulations may state procedural requirements, interpretations, clarifications and applications of these Covenants and law, including without limitation, blanket requirements, blanket interpretations, and blanket applications. The governing board of the Metropolitan District has the authority to adopt or vary one or more rules and regulations that are different for different types of Lots, if any. Any rules and regulations that are adopted shall be in accordance with, and shall not be inconsistent with or contrary to, these Covenants.

Section 3.2. *Enforcement.*

3.2.1. Enforcement of the covenants, conditions, restrictions, easements, reservations, rights-of-way, liens, charges and other provisions contained in these Covenants may be by any proceeding at law or in equity against any Person(s) violating or attempting to violate any such provision. The Metropolitan Districts and any aggrieved Owner shall have the right to institute, maintain and prosecute any such proceedings. No remedy shall be exclusive of other remedies that may be available. In any action instituted or maintained under these Covenants or any other Governing Documents, the prevailing party shall be entitled to recover its costs and attorney fees incurred in asserting or defending the claim, as well as any and all other sums. Failure by either of the Metropolitan Districts or any Owner to enforce any covenant, restriction or other provision herein contained, shall in no event be deemed a waiver of the right to do so thereafter.

3.2.2. Without limiting the generality of the foregoing, the Metropolitan Districts shall have the right to send demand letters and notices, to levy and collect fines, to negotiate, settle and to take any other actions with respect to any violation(s) or alleged violation(s) of any of the Governing Documents.

Section 3.3. *Annexation.*

The Developer may at any time, from time to time, annex to the Property additional real estate and Improvements, including without limitation any real estate and Improvements which may previously have been withdrawn from the Property. By each such annexation, if any, the Developer shall be deemed to have amended the term "Property" to include such annexed real estate and Improvements. Each such annexation, if any, shall be accomplished by recording of an annexation document that expressly and unequivocally provides that the real estate and Improvements described therein shall be subject to these Covenants and all terms and provisions hereof. Any such annexation may include provisions which, as to the real estate and Improvements described therein, adds to or changes the rights, responsibilities and other requirements of these Covenants.

Section 3.4. Withdrawal

The Developer reserves the right to withdraw the Property, or any portion thereof, from these Covenants so long as the Developer owns the portion of the Property to be withdrawn. By each such withdrawal, if any, the Developer shall be deemed to have amended the term "Property" to exclude such withdrawn real estate and improvements. The right to withdraw any portion(s) of the Property includes the right to withdraw one or more Lots, or other portion(s) of the Property, at different times and from time to time. Each withdrawal, if any, may be effected by the Developer recording a withdrawal document in the office of the Clerk and Recorder of the county in which such withdrawn property is located. A withdrawal as contained in this paragraph constitutes a divestiture, withdrawal, and de-annexation of the withdrawn property from these Covenants so that, from and after the date of recording a withdrawal document, the property so withdrawn shall not be part of the Property.

Section 3.5. Developer's and Builder's Exemption.

Notwithstanding anything to the contrary contained in any of the Governing Documents, the Developer (and any Builder designated in writing by the Developer) shall be exempt from the Governing Documents, including without limitation the requirement to obtain architectural approval from the governing board of the Metropolitan District and the restrictions set forth in Article 2 of these Covenants. Notwithstanding the foregoing, neither the Developer nor any Builder shall be exempt from the requirement to obtain approval from all governmental entities with jurisdiction over the Property as set forth in Section 2.1.3 of these Covenants.

Section 3.6. Conflict of Provisions.

In the case of any conflict between the Reservation of Development Rights and any of the Governing Documents, the Reservation of Development Rights shall control.

Section 3.7. Duration, Amendment and Supplement.

3.7.1. Each and every provision of these Covenants shall run with and bind the land perpetually from the date of recording of these Covenants.

3.7.2. Notwithstanding anything to the contrary, until twenty (20) years after conveyance of all the Property to the first Owners thereof other than the Developer or a Builder, no amendment or supplement of these Covenants shall be effective without the prior written approval of the Developer.

3.7.3. Notwithstanding anything to the contrary, these Covenants may be amended in whole or in part, at any time from time to time, by the Developer without the consent or approval of any other Owner, either of the Metropolitan Districts, or any other Person, in order to comply with the requirements, standards, or guidelines of any recognized secondary mortgage market, the department of housing and urban development, the federal housing administration, the veterans administration, the federal home loan mortgage corporation, the government national mortgage association, or the federal national mortgage association.

3.7.4. Notwithstanding anything to the contrary, these Covenants may be amended in whole or in part, at any time from time to time, by the Developer without the consent or approval of any other Owner, the Metropolitan Districts, or any other Person, in order to correct and/or clarify any clerical, typographical, technical or other errors in, or any provision(s) of, these Covenants.

Section 3.8. Severability.

All provisions of these Covenants are severable. Invalidation of any provision of these Covenants by judgment, court order or otherwise, shall in no way affect or limit any other provisions which shall remain in full force and effect.

Section 3.9. Minor Violations of Setback Restrictions.

If upon the erection of any structure, it is disclosed by survey that a minor violation or infringement of setback lines has occurred, such violation or infringement shall be deemed waived by the Owners of each Lot immediately adjoining the structure which is in violation of the setback, and such waiver shall be binding upon all other Owners. However, nothing contained in this Section shall prevent the prosecution of a suit for any other violation of these Covenants. A "minor violation," for the purpose of this Section, is a violation of not more than four (4) feet beyond the required setback lines or Lot lines. This provision shall apply only to the original structures and shall not be applicable to any alterations or repairs to, or replacements of, any of such structures.

Section 3.10. Liability.

The Developer, the Builders, the Metropolitan Districts, and their directors, officers, shareholders, partners, members, agents or employees shall have limited liability as further

provided in the Reservation of Development Rights and Release of Liability, including without limitation, in Sections 3.1 through 3.7, inclusive, thereof.

Section 3.1J. Notices.

Any notice permitted or required in these Covenants shall be deemed to have been given and received upon the earlier to occur of (a) personal delivery upon the Person to whom such notice is to be given; or (b) two (2) days after deposit in the United States mail addressed to the Owner at the address for such Owner's Lot.

Section 3.12. Headings.

The Article, Section and subsection headings in these Covenants are inserted for convenience of reference only, do not constitute a part of these Covenants, and in no way define, describe or limit the scope or intent of these Covenants or any of the provisions hereof.

Section 3.13. Gender.

Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular and the use of any gender shall be applicable to all genders.

Section 3.14. Runs with, the Land; Binding Upon Successors.

The benefits, burdens, and all other provisions contained in these Covenants shall be covenants running with and binding upon the Property and all Improvements which are now or hereafter become a part of the Property. The benefits, burdens, and all other provisions contained in these Covenants shall be binding upon, and inure to the benefit of the Metropolitan Districts, the Developer, the Builders and all Owners, and upon and to their respective heirs, personal representatives, successors and assigns.
